# San Jacinto Horse Show Association Newsletter

HAPPY NEW YEAR TO ALL OUR MEMBERS AND FRIENDS/SPONSORS, FAMILIES AND TRAINERS!!

Thank you for all your support last year. We appreciate your commitment to SanJac. Hope you all enjoyed the banquet! Congratulations to all our winners and best of luck to our 2012 riders! By the way, if you need to pick up your award/certificate, let me know.

Our season starts again very soon so make sure you and your horse/pony are getting in shape!

We would like to start a membership drive this year. If you have a friend who rides Western but might like to enter some equitation or hunter classes in preparation of a rated show, let them know that we are a great warm up circuit. If they join, they are eligible for year end stuff! In addition, if you live near a small, private stable that offers lessons but doesn't compete, tell them that SanJac is user friendly. They can come out and show and have a good time! Tell your neighbors! If they have questions about the circuit, they can e-mail me at [mafarm@swbell.net](mailto:mafarm@swbell.net) or contact any of the directors. Recruit some jumpers for us!!!

We have never asked before but we need member input as in COMMITTEES!

- 1) We would love someone to take charge of sponsorship
- 2) Ditto for awards
- 3) Ditto for raffle
- 4) Ditto for banquet set up
- 5) Ditto for table decorations

If you can find it in your heart of hearts to help us out, we would love it. Let me know.

It's your association. Help us make it the best!

Rule Change Meeting will be held latter part of January. If you have any ideas, comments, complaints please e-mail me by January 21. In addition, if you have any suggestions for SanJac as a whole, let me know. We are here for you.

We would like to thank Melany Kirsch, Courtney Grube and Haike DeLeyer for their involvement in SanJac over the past years. Unfortunately, their schedules are too busy to commit to holding shows this coming year but we look forward to seeing them whenever they can bring their students. Thanks, guys!
